Sam and Amy lived next door to a very strange old woman. She always wore a black crooked hat, she kept a black cat, and she'd give a cackling laugh whenever she spoke. On Halloween, they decided to knock on her door to see if she would give them any sweets. But when she opened the door she said, "Like sweets, do you? Well, I'd better give you some then."

There was a puff of smoke and Sam realised that his \_\_\_\_\_ had turned into a \_\_\_\_\_. There was another puff of smoke and Amy had a huge \_\_\_\_\_ where her \_\_\_\_\_ had been.

Just as there was another puff, the black cat jumped up into the smoke. When it fell down to ground it had turned into a very large, very cross-looking \_\_\_\_\_. It chased the old woman back into her house, clawing at her \_\_\_\_\_.

Sam and Amy's bodies went back to normal after a while, but they didn't eat \_\_\_\_\_ or \_\_\_\_\_ for a long time afterwards!
