

# Bunny Mobile

Cut out all these cheerful bunnies and match them up with their mirror images. Glue them back to back, sandwiching some fishing line or thin thread between them. Suspend them as a mobile. One way to do this ...  
*continued*

## *Continued*

...is to cut small slits evenly into the edges of a white paper plate and push the other end of the thread through, taping it on the top side. Then make a hole in the centre of the paper plate and push a ribbon loop through the hole to suspend the mobile.
