

The word "Easter" is written in a large, colorful, and highly decorative font. Each letter is filled with a different pattern or color: 'E' is red with white polka dots, 'a' is white with green dashed lines, 'S' is yellow with a purple outline, 'T' is solid red, 'e' is white with purple polka dots, and 'r' is solid yellow. The text is surrounded by various Easter-themed icons: a purple heart, a green flower, a black asterisk, a green circle with a black asterisk, and a red heart. Small grey 'G' marks are placed above the 'e' and 'e'.
