

Elephants

Here are some activities that you could do as part of your elephant project. Colour them in as you complete each activity. See if you can complete a line. Maybe you could do them all!

Did you know elephants can hear clouds? What type of clouds can you see?	Have a go at an elephant craft .	Write a short story or a poem about elephants.	Go outside and look for things that are grey.	On a world map, colour in the countries where elephants are found.
Make a hand-print elephant painting.	Do some research and write a fact-file about elephants.	Go for a swim. Did you know elephants use their trunks as a snorkel?	Learn to draw an elephant .	Complete a word search about elephants.
Complete a comprehension about elephants .	Go for a walk and all walk in single file - like a herd of elephants.	Label a picture of an elephant.	Make a balloon elephant card and send it someone.	Read a story that features an elephant.
