

A photograph of two children, a boy and a girl, participating in a cleanup activity. They are both wearing yellow gloves and are crouching on a gravel path. The boy is on the left, wearing a pink shirt and grey shorts, and is smiling. The girl is on the right, wearing a black cap, a white and black striped long-sleeved shirt, and grey pants. They are both focused on a black plastic bag on the ground. A clear plastic bottle with a blue cap is lying on the gravel in the foreground. The background shows a grassy hill under a cloudy sky.
